PARTNER

Carl is a founding partner of Pascarella & Wiker, LLP. Before starting P&W, he was an 11-year audit partner with one of the national ("Big Four") accounting firms. Carl served closely-held and public companies in a variety of industries providing auditing, accounting, and a variety of consulting services.

With over 30 years experience, Carl brings extensive experience to every assignment. Carl has led engagements in the following practice areas:

- Bankruptcy Support
- Business Process Improvement
- Interim CFO & Crisis Management
- Internal Audit Services
- Litigation Support
- Merger Acquisition and Divestiture Assistance

Carl's experience includes:

- Acting as financial advisor to several Unsecured Creditors Committees as well as to debtors reorganizing through bankruptcy;
- Conducting process mapping projects which identified significant areas for improvement and leading change implementation efforts;
- Serving as an interim Controller/CFO for a distressed company, implementing a comprehensive vendor management program and negotiating funding for operations from non-traditional funding sources;
- Coordinating and performing internal audit site visits to document and test site level controls relating to Sarbanes-Oxley considerations, and leading financial fraud investigations;
- Authoring expert reports and providing deposition testimony in several litigation matters;
- Leading acquisition due diligence teams and purchase price dispute resolution efforts.
